About us

Islington and Shoreditch Housing Association (ISHA) is a community and neighbourhood-based housing organisation, managing and developing quality affordable housing for people in North and East London, and building homes in Hackney, Islington, and Waltham Forest.

We are ambitious: Our vision is to co-create homes and communities where everyone can flourish so that “if people could choose, they’d choose us”.

Co-creation is central to our vision. We believe that for people to flourish, they need not only to have safety, security, and a sense of belonging, but they also need to be able to contribute to and shape their environment. We believe that for everyone, including our residents, and staff.

Our values: Our values are important to ISHA. They are at the heart of who we are and everything we do, and how we approach our work with residents and each other. They inspire our thinking and help guide our actions.

Pride in team ISHA

Passionate commitment to customers

Trusted to make the difference

Respect for everyone

Our 2020–25 Corporate Strategy has eight strategic pillars:

1. **Safety first** – ensuring our homes are safe
2. **Service and satisfaction** – being a consistent & quality landlord, building service delivery that drives satisfaction in partnership with residents
3. **Security and growth** – setting residents off on a secure footing & helping create the conditions for people to flourish in their homes
4. **Somewhere** – anchoring ourselves in North London, especially Islington, Hackney, and Waltham Forest

5. **Supply** – building quality homes for social, London Affordable Rent and Shared Ownership
6. **Sustainability**
 - building green and actively seeking to reduce the environmental harm caused by our stock, our building and business practices
 - stewarding ISHA's assets and finances and taking the long view
7. **Staff** – engaging with inspired, high performing staff
8. **Systems** – maintaining robust IT and business systems that support the business and our ambitions

We offer a wide range of housing choices: social rented, shared ownership, intermediate rent, market rent, supported housing and options for the elderly. We also provide homes and support for the Vietnamese, South-East Asian and wider communities. We are committed to ensuring equality, diversity, and inclusion to all communities in our approach to services and the way we work.

ISHA is smaller and more local than many other housing associations operating in London. The roots of ISHA go back to 1933 when we were involved with tackling slum clearance, poverty, overcrowding, ill-health, and high rents. Today we employ close to 80 staff and have over 2,500 homes.

We are proud to be a London Living Wage employer and no employee will earn below that level. It is calculated independently to reflect the high cost of living in the capital, giving a worker in London and their family enough to afford the essentials and to save.

We are a diverse organisation with opportunities across a wide range of roles and professions, and we welcome talent from different backgrounds.

We have provided safe spaces for staff to speak out and have a plan to make us proudly anti-racist, concentrating first on growing allyship. This work has led on to co-creating a new diversity and inclusion strategy, and we have recently launched an internal staff-led EDI Council, who hold regular surgeries for staff to share their concerns in a safe space.

We work in close co-operation with our local authorities, the social housing regulator Homes England, the Greater London Authority (GLA) and other local housing associations, including Black and Minority Ethnic, special needs Housing Associations and co-operatives. Investment in development is provided through our own borrowing, the GLA and through local authorities. ISHA leads the North River Alliance (NRA), which is a consortium of North and East London community-based housing associations.

We have a GI Governance rating and V2 Financial Viability rating.

Equality, Diversity, and Inclusion statement

We expect all ISHA's staff, residents, and stakeholders to be treated equitably and with respect in their dealings with us.

We will be inclusive and reflect the rich and diverse communities we exist to serve.

We will work to earn the trust and confidence of staff, residents, and stakeholders that they can expect - from us and our contractors - respect, fairness, and equitable treatment.

ISHA has co-created an equality, diversity, and inclusion strategy for 2023-25 (running concurrent to the current strategic plan) and works within the framework of this as well as all current legislation and codes of practice.

Physical Layout and Features

Reception and the Customer Services Team are located on the ground floor. All other departments are on first and second floors. There is a lift that serves each floor.

Our office is wheelchair accessible, and there is a disabled toilet on every floor, and one at Reception. The height of some desks can be adjusted and would be suitable for wheelchair users or very tall people.

There are soft strip lights throughout with good natural light. Some managers' offices are further away from windows and rely more on artificial lighting, however, those offices have an air-cooling system to facilitate temperature control.

As the office is mainly open plan, noise level varies and can, at times, be high. Most employees sit in an open plan office area with colleagues, with computers and printers operating intermittently during the day.

There are audio loop systems in the main meeting room, the tenant interview rooms and at Reception.
