Organisation	
<p>We are a global team of experts and innovators tackling some of the world's most pressing health challenges. We work with leaders and change makers around the globe to bring health strategies to life. We provide ideas, advice and technical know-how that enable our partners to build a path to lasting change.</p> <p>With 30 years' experience in global health, we collaborate with our partners to explore existing evidence, combine expertise, scale up ideas and co-create solutions that accelerate change. This includes collaborating on policy design, managing initiatives, building powerful coalitions, and galvanising social movements. Our impact is felt across whole communities, with a focus on women, girls and those who have been marginalised.</p> <p>As part of MSI Reproductive Choices, all our profits go back into supporting MSI's own mission of children by choice, not chance.</p> <p>We believe in a world where everyone can access the high-quality health services they need, without financial burden.</p>	
Main purpose of job	
<p>The Assistant Director of Programmes (ADoP), maternity cover, reports to the Director of Programmes, and is based in one of Options offices in central London, Nairobi or Abuja, with some overseas travel.</p> <p>The ADoP supports the Director of Programmes in the development, direction and strategic management and operational oversight of Options' portfolio of programmes. The ADoP has delegated oversight of programmes within the portfolio and line manages Team Leaders. The ADoP also oversees the Programmes' Resource Unit (PRU) with line management of Head of PRU. The ADoP works with the New Business and Partnerships Team, Technical Department, Management Services and Country Representatives in Tier 1 countries to ensure high quality programme delivery and growth across the company. The ADoP is part of the Programmes Department Senior Management Team with programme and cross-departmental responsibilities.</p>	

Note: All levels of position in the organisation assume some degree of responsibility for safeguarding. Your accountabilities will align with the level and scope of the position and appropriate training will be provided

Main duties

Main Responsibilities:

Management oversight to Options' overseas programmes
