Job title:	Video Editor
Department/Brand:	Jungle Studios
Reports to:	Head Of Production
Duration:	Perm
Hours:	Full time
Office Location:	6 Batty Street, London, E1 1RH, United Kingdom

### About Jungle Creations

Jungle Creations is a leading media house for the social age, solely focused on delivering high-quality content to our audience of over 80 million. What started out as a Facebook page called VT has evolved into a multi-platform media company that generates over 5 billion video views, and 20 million unique users to our sites, each month. Those numbers make us the 1st most viewed media property on Facebook, globally!

With tens of millions of followers at our fingertips, we create viral content for some of the biggest brands in the world (Greenpeace, Oreo, Disney, Bailey's etc...) and push it out through our channels. This is such a proven formula that we now guarantee a minimum of 1 million views on every piece of content we make for clients.

A reasonably impressive start, but in order to accelerate growth and ultimately become number one, we need the best people in the world to join us.

### Role Purpose

Reporting to the Head of Production and working closely with the Producers, Creatives and Project Managers, the successful candidate will be confident in editing social video videos for existing and emerging platforms. The Video Editor will be responsible for creating engaging and on-trend social content using footage shot in house by the production team. - Understanding of networking and FTP servers

### **Bonus Points**

- Ability to shoot on Sony or Canon cameras and basic lighting setups

## **We want you to add to our culture**

At Jungle Creations, we aim to ensure our workforce reflects the diverse society we live in. Our different ideas, our different perspectives and our respect for one another enables us to be innovative, creative and build a sense of belonging that actively encourages our people to add to our culture. We want everyone to feel that Jungle Creations is a place where they

belong and that is the reason why we look for the cultural add, not the cultural fit.

### Our mission

*'We exist to create ideas that get people to thrive online and in the real world'*

### Our values

This is who we are. These qualities are the things we look for in new Jungle talent, the things we celebrate and reward our people for, and the things clients discover about us and our work.

#### **Collaborate.**

Whether in a small or large capacity, every one of our departments works in collaboration with each other. Encouraging this total collaboration means our people can team up with ease, and create the perfect environment for idea sharing, creative thinking, and working closely with clients and partners alike.

#### **Innovate.**

In a business and world that is forever changing, we pride ourselves on how agile and adaptable we are. Striving to experiment, take risks and be bold, Jungle celebrates how quickly its people can innovate and move with the times, ensuring we are at the forefront of change and the best in the industry.

#### **Champion.**

We champion our people, their ideas, and their differences. Our people respect one another and the things that make each of us unique. We aim to support all voices internally and reflect this in the work we do. We actively encourage our people to add to our culture and want everyone at Jungle to feel that they belong.

### Post Covid-19 Plan

We have carried out a full risk assessment and have moved to a permanent hybrid working system that sees staff split their time between the office and home (government guidelines allowing). Each team differs in terms of their in-office expectations so feel free to discuss this during your interview process.
